#### Remarks

After over 20 cherished years, the current owners are ready to pass the torch on this lovingly maintained Coaldale twin — a home filled with warmth, comfort, and memories. Nestled in a quiet section of town, this property offers the perfect blend of space, function, and charm. Step into the spacious farmhouse-style kitchen, where generous counter space, stainless steel appliances, a pantry, and a classic tile backsplash make both cooking and entertaining a delight. The large living room features low-maintenance laminate flooring and plenty of room to relax or gather with friends and family. Upstairs, you'll find three well-sized bedrooms, each with its own closet and no walkthroughs — offering privacy and flexibility. The main bath is a standout with double sinks and room to spread out. Need more space? The partially finished walkout basement adds even more versatility for a rec room, home office, or extra storage. Tucked away from the hustle, yet close to everything, this home also offers off-street parking — a rare find in town. A heartfelt opportunity to own a move-in-ready home that's been truly loved. Twilight OPEN HOUSE Tuesday, July 1st from 6-8PM
